Who **we** are

Mosdell, Pama & Cox is a law firm based in the Garden Route area. Our team of highly experienced attorneys, notaries, conveyancers, appraisers, and administrators of estates are dedicated to providing their clients with personalised and affordable legal services. Our team is handpicked based on our requisites of effectiveness, excellence, efficiency, empowerment, enthusiasm, and ethical behaviour. We are proud of our firm's reputation for building strong, long-lasting relationships with our clients and our ability to find practical and effective legal solutions. Mosdell, Pama & Cox offers a wealth of experience in a wide range of legal areas, which positions us to offer you the highest quality of legal representation and tailor-made advice.

Our **history**

The Mosdell Pama & Cox legacy starts 30 years ago when attorneys Perino and Elbie Pama established their own firm and commenced practising as Burger & Pama in Knysna. A short while later, attorneys Clifford and Sue Mosdell moved to Knysna to establish their own law firm, Mosdell & Mosdell in March 1994. A strategic amalgamation of the two practices occurred in October 1994 when the firm Mosdell & Pama was founded. As the firm grew, opportunities were pursued to serve a wider spread of clients and another office was opened in Plettenberg Bay on 1 January 1999. Andrew Cox joined us to manage that office. September 1 of the same year brought another exciting development when Andrew was appointed as a partner. At the end of 2001, we became Mosdell, Pama & Cox. Since then, there have been significant further changes, with Perino Pama relocating to the Plettenberg Bay office. Clifford Mosdell retired as a director on 28 February 2013. Our firm has been on a growth path, and we are proud to have been able to create a team where individual practitioners are each able to exclusively focus on their own fields of legal knowledge. This means you can find a professional practitioner under our roof for any legal service you may require.

The MPC **Philosophy**

At MPC Attorneys, we are dedicated to creating a workplace that is inclusive, diverse, and free from any form of discrimination. To achieve this, we have implemented a formal affirmative action policy that aims to eliminate any barriers based on race, gender, or disability.
